## Head Teacher's News

This morning, it was our Macmillan Coffee morning! Thank you so much to everyone who came and either donated cakes or bought a cup of tea and a slice (or two) of cake. This was the first time we have been able to hold such an event for quite a while, so it was lovely to see it so well attended. Well done to Miss Clark and the Year 5/6 class, who did an expert job of organising and serving. We will let you know how much money we managed to raise next week.

On Saturday, we had the Radnage Revival at school. It was a gloriously sunny day and that was reflected in the great fun that everyone enjoyed: dancing, eating, drinking and a couple of special visitors – one had even made the journey from a galaxy far, far away. The main purpose of the event was bring our community back together, however it also raised some much needed funds for the PTA. We need to say a huge thank you to the whole PTA for organising a really fun day at quite short notice. Remember, all of our parents are automatically members of the PTA so, if you have any ideas about fundraising or helping out, please do share them.

We have a quick message regarding drop off in the morning. Please remember that you can drop your children off and do not need to stay on the school playground. A member of staff will be on duty at the playground gate to ensure that the children are safe and watched over. Doing this will also free up the strain on our limited parking facilities.

Don't forget that the Rugged Radnage is fast approaching us. This is one of the most important fundraising events of the school year so, if you are able to help out, please do reply to the emails from earlier this week.

Finally, we have lots of after school clubs running at the moment. One of our aims for this year is enhance our extra curricular offer after the challenges of the pandemic, so do please encourage your child to sign up!

Have a lovely weekend and hopefully see lots of you tomorrow.

*Sam Browne*

*'It is like a mustard seed, which is the smallest of all seeds on earth. Yet when planted it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade.'*

## Nurture. Grow. Shine

## Star of the Week

**Gina** for being a great listener and taking responsibility in her learning

**Ellis** for making good choices at all times

**Louie** for always showing respect through politeness, careful listening and being ready to learn

**Charlie** for making great progress in Maths and showing independence
